CONFER WITH COMMISSION.

Lansing and Arredondo to Discuss Border Patrol.

Atlantic City, Oct. 13.—Secretary of State Lansing and Eliseo Arredondo, Mexican ambassador designate, are expected to come here this week to confer with the Mexican and American joint commission.

A compromise plan to protect the border with Carranza troops and permit gradual withdrawal of General Pershing's expedition was discussed by the commission Wednesday. After a long conference the commission announced that the plans for border protection were advancing "very nicely."

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities. You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

"Gets-It" Never Fails for Corns!

There's Nothing on Earth Like It for Corns and Callouses

"Whenever you get corns and callouses, don't experiment—just use 'GETS-IT' and nothing else. Easiest and simplest thing I know to use—just a few drops on in a few seconds—

"GETS-IT" does the rest. The old way is to bundle up your toes in bandages and bandages, and make the toes raw, cotton rings that make your corns pop, and "diggers" that tear your corns out and leave the corns. No wonder they make you limp and wince. Forget all these—use "GETS-IT," the simplest corn remedy in the world, easiest to use, never fails of success. Your corns, then, you lift it off. You can wear smaller shoes.

"GETS-IT" is sold and recommended by druggists everywhere. 25c a bottle, or sent on receipt of price, by E. Lawrence & Co., Chicago, Ill.

Sold in Barre and recommended as the world's best corn remedy by E. G. Russell and E. A. Brown—Adv.

Interesting reports were made of the work done by delegates from nearly all the local associations in the state.

Supt. D. B. Locke of Rutland spoke of some ways in which the association might help the school.

Mrs. S. L. Hazard reported as treasurer, a balance of \$193.93 on hand, with expenditures of \$116.83. Mrs. Coan made a report as secretary.

DON'T BE BALD

Here's a Good Way to Stop Loss of Hair and Start New Hair Growth

If the hair root is absolutely dead, permanent baldness will be your lot, and you might as well cheer up on as to bemoan your fate.

If your hair is falling or thinning out, don't wait another day, but go to the Red Cross Pharmacy and get a bottle of Parisian Sage, the truly efficient hair grower.

Don't say, "It's the same old story; I've heard it before," but try a bottle at your risk. They guarantee Parisian Sage to grow hair, to stop falling hair, to cure dandruff and stop scalp itch, or money back.

Parisian Sage contains just the elements needed to properly invigorate and nourish the hair roots. It's a prime favorite with discriminating ladies, because it makes the hair soft, bright, and appear twice as abundant. It is antiseptic, killing the odors that are bound to arise from excretions of the scalp and, as everyone knows, sage is excellent for the hair and scalp.

Parisian Sage is inexpensive and easily obtainable at drug and toilet counters everywhere—Adv.
